

Yamaha SA 1200S

This guitar was made in Japan from December 1979 to 1983 and retailed on release at 120,000 yen. This does not appear in the US and Canada 1981 catalogue it may or may not have been available in other western countries at the time. It is said that only 800 or so of these were made. I have one but they very rarely if ever come up for sale.

Now discovered from recently acquired catalogues that these were still being sold in 1985.
