

## Yamaha SA 15

This was a very short lived production commencing in May 1968 and stopped in 1968. This is a true hollow bodied guitar in that it has no centre block. There is also a 15d see that document for differences. MRRP was 24000 yen in 1968.

Maroon SA15

Fret board	Rosewood
Radius	
Body	
Neck	Bolt on
Weight	3Kgs
