

Yamaha SA 2200

This guitar was made in Japan from at least 1994 to 2014. It also appears in the various English language catalogues. It has been the standard SA for that period and often the only one available. The Japanese catalogue 1994 shows retail of 150,000 yen. In 2012 MRRP 231,000 yen (£1300). As at March 2015 although supposedly out of production it is still available at about £1400 to £1500.
